

# MEXIKANA SALAD MENU

## Salads... but Make It Sexy

Got the boys manning the BBQ and don't trust them with anything green? Throwing a dinner party and want something a little wow on the side? Need to level up your banquet with a few fresh, zesty numbers? We got you! Our salads aren't your typical Mexican fare — but they are bold, colourful, and full of flavour. Whatever the occasion, we'll bring the greens, the crunch, and the saucy dressings to match.
